Summary

Motivated MERN Stack Developer with a passion for building responsive, user-friendly web apps. Skilled in MongoDB, Express.js, React, and Node.js, with a focus on clean code and continuous learning. Eager to contribute to real-world projects and thrive in dynamic environments.

Experience

Self Learning
Mern Stack Developer

Self-taught MERN Stack Developer with a passion for building full-stack web applications and continuously learning modern technologies.

TechAdvancers
Mern Stack Developer

TechAdvancers reflects my journey as a self-taught MERN Stack Developer, highlighting hands-on learning, open-source contributions, college projects, and certifications from platforms like freeCodeCamp. It showcases my commitment to continuous growth and building real-world web solutions.

Education

Nasra College of Arts and Science   2022 to 2025
Tirurkad, Malappuram, Kerala 679321   Bachelor's in Computer Science
Undergraduate
⚭ https://www.nasracollege.com/

Gained core knowledge in C, DBMS, Java, PHP, and software engineering through college, while actively taking part in industrial visits and tech activities..

Projects

Notpad (Open Source)
Contributor
⚭ Preview

Contributed key features to the Notpad open-source Svelte project, including Full-Screen Mode, an enhanced menubar with Download and Shortcut Display buttons, and a Save & Quit confirmation popup. Prioritized usability and user experience through impactful feature development and effective team collaboration.
View Contributions

Doctor Appointment Booking Website
Creator
⚭ Preview

A web app for booking doctor appointments online. Patients can sign up, log in, view doctors, check availability, and manage appointments. Doctors can update their schedules and view bookings. The platform streamlines the appointment process for better healthcare access.
